NA HOA PONO 1956

NA HOA PONO is one of the melodious gems of the Hawaiian tongue. NA HOA signifies "companions", "close associates", PONO is "righteous", "upright", "steadfast".

NA HOA PONO expresses well the spiritual brotherhood into which we have been welded by the mutual experiences of this first promising year.

Since we seek eternal life, we seek eternal companionship with the righteous. We strive to build on those laws of God which are the only possible foundation for lasting love and respect such as we now have for each other.

We are and shall always be NA HOA PONO.

FOREWORD

The Lord has said:

"It is impossible for man to be saved in ignorance."
"Whatever principle of intelligence we attain unto in this life, it will rise with us in the resurrection."
"Ye shall know the truth, and the truth shall make you free."
"And truth is a knowledge of things as they are, and as they were, and as they are to come."

We are commanded to study "things both in heaven and in earth, and under the earth; things which have been, things which are, things which must shortly come to pass; things which are at home, things which are abroad; the wars and perplexities of the nations, and the judgments which are on the land; and a knowledge also of countries and of kingdoms."

These truths embrace the full scope of education. They were inspired by the Lord Himself; they are vital to our religion. Therefore, the Latter-day Saints are moved to provide broad educational opportunity, even at great sacrifice of time and effort.

The Church College of Hawaii was envisioned in the spirit of these truths by our beloved prophet, David O. McKay, President of the Church of Jesus Christ of Latter-day Saints. It is set as a beacon for those desiring guidance in their efforts to "prove all things, and hold fast to that which is good." We at The Church College of Hawaii are thrilled to join the ranks of those institutions of higher learning which seek to illumine the paths of man.

We may be astonished to have been chosen as the first faculty and studentbody at this new college serving the needs of youth in Hawaii in fulfillment of the will of the Lord. Yet here we are--small but important parts of human history. May we be as impressed by our responsibilities as we have been surprised by our opportunities.

IN MEMORIAM

Robert Yoshito Uyeda

Robert Yoshito Uyeda, quiet and unassuming, was a member of the first student body of The Church College of Hawaii.

He maintained a keen interest in education, enjoyed music, and had a flair for drawing.

Robert was born in Kapaa, Kauai on April 25, 1935. He died in Honolulu on December 12, 1955.

Although Robert's life at college was short, his memory will live in our hearts.

We congratulate the Committee on Student Publications, the editor, and the staff on the preparation and publication of this first yearbook of the Church College of Hawaii. This marks another significant accomplishment as our college moves forward in its program of service.

May the memories of happy events be ever cherished by students, faculty, parents, and friends as the pages of this yearbook and other subsequent yearbooks preserve for you and for coming generations the interesting activities and progress of this institution with its many opportunities to contribute helpfully to the lives of those who enter here or who may be influenced by the program of the college.

May enduring friendships built upon lives of righteousness and purity continue to grow as a source of real joy through the year.

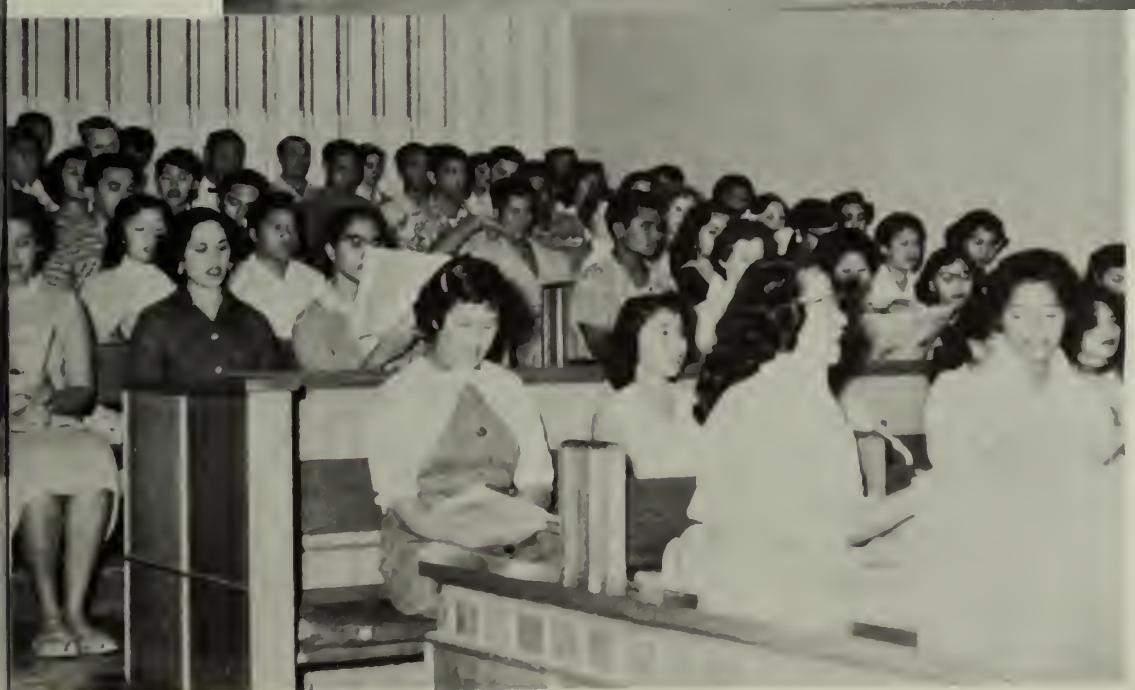
The Church College Of Hawaii Choir

The choir, under the direction of Mr. Joseph H. Spurrier, enjoyed a very successful year, having undertaken an unusually large number of public appearances. Its auspicious inaugural year included appearances at conferences of both the Oahu and the Honolulu Stakes; a presentation of a Christmas program featuring Handel's Messiah; and a concert tour of the rural-Oahu public high schools. The choir closed this stellar year with its first annual Spring Concert.



CASUAL, COMFORTABLE CLOTHES were characteristic of campus fashions this year. Pastel sleeveless blouses with matching belts and shoes, summery dresses, and cardigans were chief fashion notes for coeds. Sport, Italian, Japanese Kabe, and aloha shirts were fashion leaders among college men.

ATTIRED IN COLORFUL and gay dresses of Hawaiian print, these coeds bask in the gentle warmth of the tropic sun.
